

CONGRATULATIONS to the 2011 PCT Top 100 List of leading companies from Univar PP&S

Your success is hard earned, and we're proud to serve as your single source with more solutions to strengthen your business: Over 6,000 of the best products from premier manufacturers • Unsurpassed expertise, service and support • #1 online resource PestWeb® • The most valued certification and training programs • 70+ Pro Center locations for the help you need when you need it

Call (800) 888-4897 or visit PestWeb.com to learn more about how Univar Professional Products & Services can help your business.

One Source. Countless Resources.

ABOUT THIS LIST

- The PCT Top 100 list is based on 2010 revenues.
- The abbreviations on the list are as follows: * = estimated figure; n/a = no answer/unknown; NC = no change; % GPC = general pest control; % TC = termite control; % Other = other services (see next bullet point); % RES = residential; % COM = commercial; EMP = employees
- In the “other” category, services include turf and ornamental work, landscape maintenance, “home” services (i.e., handyman services, home inspections, carpet cleaning, insulation services, moisture remediation, etc.), fumigation, heat treatments, bird control, mosquito control, wildlife exclusion, etc.
- Companies in the PCT Top 100 list earned revenues of \$4,996,409,782 in 2010, which was an increase of \$230,363,239 from 2009.
- There are 30 states and three Canadian provinces represented in this year’s list. Florida has the most firms on the list (14) while California has the second most at 12.
- Revenues for the three Canadian firms on this list are reflected in U.S. dollars. The late-April exchange rate was 1.05 Canadian dollar to U.S. dollar.
- Terminix acquired Chino Hills, Calif.-based Antimite Termite and Pest Control and its Arizona affiliate, SOS Exterminating, in August 2010, so Antimite/SOS is not included on this list. Antimite/SOS’s revenues in 2009 were estimated to be \$40 million, ranking the firm at #20 on PCT’s Top 100 List.
- Rollins acquired Waltham Services, Waltham, Mass., in July 2010 so Waltham is not included on this list. Waltham’s revenues in 2009 were \$18 million so last year the firm ranked #33 on PCT’s Top 100 List.
- In December 2010, Atlanta-based Arrow Exterminators acquired Nader’s Pest Raiders of Ponte Vedra Beach and Fernandina Beach, Fla. Since this list reflects 2010 revenues, and Nader’s operated as a separate entity for nearly the entire year, it is listed separately from Arrow.
- This is the first time the revenues of Massey Services (#5) includes those of Middleton Pest Control, Orlando, Fla., which it purchased in December 2009.
- Visit PCT’s interactive map (<http://bit.ly/pcttop100>) to see company information and view live links to each of the Top 100 firms’ websites.
- This list was compiled by the PCT staff throughout the spring of 2011. E-mail PCT Editor Jodi Dorsch at jdorsch@giemedia.com with comments about this list.
